Welcome to League!

Encouraging the active and informed participation of citizens in their government

The League of Women Voters is a nonpartisan political organization that works to increase understanding of major public policy issues and influences public policy through education and advocacy.

Join League and get involved in shaping the important issues that keep our community strong. League sponsors candidate debates and public issues forums and teaches citizens about their rights and responsibilities. We monitor governmental activities from school boards and city councils to state legislatures and the U.S. Congress. We also inform through in-depth and balanced analysis of issues. Your League works to safeguard democracy and foster civic improvement.

Democracy is not a spectator sport!

Who Can Join?

Any citizen of the United States, 18 years of age or older, can become a voting member of the League. Apply for membership by sending in the form included in this brochure along with your annual dues.

Remember:

Men can join League, too!

“Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it is the only thing that ever has.”

*Margaret Mead,
American Anthropologist*

League is particularly concerned with issues related to local, state or national needs. Local Leagues tackle issues such as zoning, metropolitan growth, schools, and housing. State League acts on statewide matters such as tax systems, state constitutional issues and election procedures. National League works on both foreign and domestic affairs.

League legislative priorities evolve over time to reflect the changing needs of society and critical issues of concern, but the organization remains true to its basic purpose: to make democracy work for all citizens.

League has chapters in all 50 states, the District of Columbia, the Virgin Islands and Hong Kong, in addition to over 100,000 members in local Leagues nationwide.
